

Grade: Kindergarten
Title: The 3 R's (recycle, reuse, reduce)

Driving Question: How can our actions better enhance our Earth's environment and its inhabitants? Does integrating the 3 R's into our daily lives show that we care for the Earth? What positive actions can you take to show care in your community as well as our KA Community?

Standard: SS.K.1 Students understand that being a good citizen involves acting in certain ways. Students will understand that their actions make an impact and that they can help our planet by making good environmental choices.

Product: Students will grow a plant using their recyclable cans, jars, or egg carton.

Presentation: Kindergarten students will make a small flower garden for families and peers to see at their own time.
